THE MSCA MATCHMAKING PLATFORM

MSCA-NET 

The MSCA matchmaking platform brings together fellows, companies, supervisors, NGOs and Academic Institutions from a large number of European countries and beyond. This is a unique opportunity to generate new contacts and future successful projects in the upcoming MSCA calls for 2022.

Using this platform, you will be able to publish your researchers 'profile, your company profile and offer your hosting arrangements to attract talent or participate in Doctoral Networks and Staff Exchanges Proposals.

The screenshot shows the homepage of the MSCA matchmaking platform. The header is blue with white text for navigation: Home, Fellows, Supervisors, Institutions, Companies, All Participants, Marketplace, Agenda, Login, and Register. Below the header is a large banner featuring a stylized profile of Marie Skłodowska-Curie, the text "MAY2022 - MAY2023", and "THE VIRTUAL MARIE SKŁODOWSKA-CURIE ACTIONS MATCHMAKING PLATFORM". A sidebar on the right says "MSCA matchmaking platform". Below the banner is a row of links: Info, How it works, MSCA PF call information, MSCA DN call information, MSCA SE call information, FAQ, and Contact. The main content area has a "Welcome to MSCA matchmaking platform" section, followed by a description of the platform's purpose and a "Register now" button with a deadline of "Open until 5 May 2023". At the bottom, it says "ORGANISED BY" and lists MSCA-NET, the Enterprise Europe Network, and the Fundación para el Conocimiento Madrid.
