THE MSCA MATCHMAKING PLATFORM

MSCA-NET 

The MSCA matchmaking platform brings together fellows, companies, supervisors, NGOs and Academic Institutions from a large number of European countries and beyond. This is a unique opportunity to generate new contacts and future successful projects in the upcoming MSCA calls for 2022.

Using this platform, you will be able to publish your researchers 'profile, your company profile and offer your hosting arrangements to attract talent or participate in Doctoral Networks and Staff Exchanges Proposals.

The screenshot shows the homepage of the MSCA Matchmaking Platform. The header includes navigation links: Home, Fellows, Supervisors, Institutions, Companies, All Participants, Marketplace, Agenda, Login, and Register. The main content area features a large banner with a silhouette of Marie Skłodowska-Curie, the text "THE VIRTUAL MARIE SKŁODOWSKA-CURIE ACTIONS MATCHMAKING PLATFORM", and a date range "MAY2022 - MAY2023". Below the banner is a navigation menu with links: Info, How it works, MSCA PF call information, MSCA DN call Information, MSCA SE call information, FAQ, and Contact. The main text area welcomes users and describes the platform's purpose: "1:1 meetings for your future MSCA proposals, inspiring sessions, informative workshops and more." It also provides a brief description of the platform and its benefits. A prominent blue button says "Register now" with a subtext "Open until 5 May 2023". The footer area includes logos for "ORGANISED BY" MSCA-NET, Enterprise Europe Network, and Fundación para el Conocimiento Madrid.
